

St. Mark's SCC was initiated in the year 2013 by Fr. Singarayar. The boundaries included in our SCC are, Micetich Colony, KKR Nagar, Royal Avenue & Sathyaraj Nagar. Presently we have 36 families in our SCC and we meet regularly either on the 2nd Sunday or 3rd Sunday of every month.

During the last few years we had come together during the month of May to pray the Rosary in the homes of our members who volunteered. We also visit the old and sick members of our SCC and spend time by praying with them and talking to them. We have had many outreach programs during the last few years and have found great joy in reaching out to the less privileged.

We celebrate the Feast of our Patron, St. Mark every year with the Eucharistic celebration followed by a meal. We have had the privilege to serve our Parish by animating the mass and also participating in the canteen and fancy fete's conducted for the purpose of raising funds for the extension of our church.
